

FILMG CONSENT FORM – Photography & Video

For use of images of Young People in our work & publicity

FilmG recognises the need to ensure the safety and wellbeing of children and young people.

FilmG is an exciting project that encourages young Gaelic speakers to engage with the language and we like to promote the films and the positive stories relating to the project online as well as in traditional newspaper coverage.

We will promote the films by our young filmmakers, just as we do they schools films, using screenshots, images of the filmmakers and by sharing the films themselves online.

These images may appear on our **web & social media sites** such as **instagram, facebook, snapchat** and **twitter**, in the media such as **newspaper articles**, external websites such as **YouTube** or **Vimeo**, all of which are public and could be shared, as is the case for product of the workshop – a short film – which will be on the FilmG website as well as other platforms.

There will be a great deal of promotion when the films go online, when shortlists are released, and when the winners are announced. Our coverage of the project will be in-keeping with the fun and vibrant brand and we will always seek to promote the positive aspects of the competition.

Please ensure that you, the young filmmaker, and any teen contributors sign one of these and return it as a scan via email to fios@filmg.co.uk or in the post to the address below. There is another form for adult contributors.

My child and I are happy for my child's image to appear in FilmG promotion. I can confirm that we have read, or been made aware of, the organisation's **photography and video policy**. I can confirm that we have read or been made aware of how the organisation will use these images or videos.

My child and I consent to their image being featured in the BBC ALBA Awards Highlights Programme broadcast should their film be shortlisted, as well as on the Awards Livestream. Should my child then be selected to attend the awards ceremony, and should they win, we are happy for their contribution the night to feature in the Highlights programme and Livestream too.

My child and I understand that we can ask FilmG to stop using my child's images at any time, in which case they will not be used in future publications but may continue to appear in publications already in circulation.
