

FILMG CONSENT FORM – Photography & Video

For use of images of Young People in our work & publicity

FilmG recognises the need to ensure the safety and wellbeing of children and young people.

FilmG is an exciting project that encourages young Gaelic speakers to engage with the language and we like to promote the films and the positive stories relating to the project online as well as in traditional newspaper coverage.

The FilmG Workshop Tutors may take photographs or videos while the FilmG entry is being produced, for promotional purposes. These images may appear on our **web & social media sites** such as **instagram, facebook, snapchat** and **twitter**, in the media such as **newspaper articles**, external websites such as **YouTube** or **Vimeo**, all of which are public and could be shared, as is the case for product of the workshop – a short film – which will be on the FilmG website as well as other platforms.

There will be a great deal of promotion when the films go online, when shortlists are released, and when the winners are announced. Our coverage of the project will be in-keeping with the fun and vibrant brand and we will always seek to promote the positive aspects of the competition.

We cannot permit photographs, video or other images of children and young people to be taken, nor published without the consent of parents/legal guardians and/or the young people therefore we ask that you return this form to your child's school before their FilmG workshop takes place.

We can be reached via phone or email if you have any questions : 01471 888 505/508 or fios@filmg.co.uk

My child and I consent to their image being featured in the BBC ALBA Awards Highlights Programme broadcast should their film be shortlisted, as well as on the Awards Livestream.
